

01-Oct-2019

PCN #:E-19-015071

Subject:MTA-100 Friction Lock Header Assemblies

Description of Change: Updating Customer Drawings to include corrected end views of assemblies. On some parts, updating TE logo to current logo, and updating logo to allow for the logo to be recessed into the housing. There will be no other changes to the product except for this change in the TE logo on some parts.

Reason: Product Improvement.

The dates on the product change notification (PCN) are best estimate dates determined at the time of issuance. Actual implementation dates may vary from such dates.

The change described in the PCN can be withdrawn, without notice, for any or all of the products identified on the PCN.

TE Connectivity corporate policy is for PCNs to be valid for 60 days and obsolescence notices to be valid for 180 days after date of issue.

For confirmation or additional information on the change, please contact the

TE Connectivity Product Information Center at 800-522-6752 or your TE Connectivity Sales Representative.
