Change of Sales channel for 01005 MLCC for Distributor

Dear Valued Distributors;

This letter serves as advance notice of a change in the sales channel for 01005 MLCC manufactured by Kyocera Corporation in Japan that are currently sold by Kyocera International, Inc. (“KII”) in North and South America (“Region”).

Effective **September 1, 2020**, KII’s affiliate, AVX Corporation (“AVX”), will be selling such products to Distributors in the Region.

Subject products:

CM02 series (01005 standard MLCC Class 1 & 2)

CU02 series (01005 Hi-Q MLCC)

Region:

North America and South America only

All product backlog and POs as of August 31, 2020 will continue to be supported by KII. New orders beginning September 1, 2020 will be handled by AVX.

Ownership of existing stock of the subject products in your warehouse shall be transferred from KII to AVX. AVX will be responsible for such stock as of September 1, 2020.

Should you have any questions about this change, please contact me at your convenience. As of September 1, 2020, questions should be directed to your local sales contact at AVX.

Best Regards,

Zack Kozawa

General Manager, Electronic Components
Kyocera International, Inc.
