Division	Blade products
Location/Site	San Diego, CA
Notice Type	Product Restricted Availability / EOL
Product(s)	VX304x – all variants
Product Manager	Mark Littlefield
Intended Audience	All Customers

VX304x – Restricted Availability / EOL NOTICE

The intention of this notification is to inform customers who use the VX304x product line that the system is moving to Restricted Availability and is no longer recommended for new program orders. After November 15th, 2020, deliveries of the VX304x can only be guaranteed to customers covered by a Long Term Supply service. Customers are advised to contact your sales representative to make any necessary supply arrangements or last-time buys.

All VX3910 Models – Life Cycle Schedule

July 16, 2020	Restricted Availability announcement
November 15, 2020	Move to Restricted Availability. All deliveries and service agreements must be completed before that date. Deliveries to customers under LTS agreements are protected.
November 15, 2025	Move to Repair Only catalog. The product is supported for 5 more years (2030) so long as inventory for necessary components exist.

The following is the list of the affected part numbers:

1057-8296	BSP-1L-VX3042
1057-0145	VX3042-SA28/BWM14073

VX304x – Replacement

The recommended replacement for the VX304x is the VX305x Xeon-D based SBC available in both air- and conduction-cooled configurations. In addition, there are planned new products for the 2021 timeframe that will form suitable replacements. For detailed technical information, please visit the [VPX products page on www.kontron.com](https://www.kontron.com/vpx-products).

Purchase Orders: POs for EOL/discontinued products are non-cancelable, non-returnable. Except for repairs, EOL/discontinued products purchased are non-returnable.

Reschedule: Shipping date cannot be postponed more than once and for not more than 30 days from the agreed delivery date as stated on the Sales Order Confirmation.

Kontron is committed to supporting your program and working with you through this process. No response from customers will be deemed as acceptance of the planned update.
